Outcomes: Increased awareness from pupils and families of the importance of exercise as part of a healthy lifestyle along with a balanced diet. That sport as a leisure activity can bring about not only increased physical health but also improved mental health.

98% of all pupils now stay on site for lunch-Improvement from 30% since 2010.

Achievement assemblies used to promote P.E. aspects especially swimming.

All pupils are expected to participate in P.E. games and swimming lessons. All places are taken for after school sports clubs.

Outcomes of tracking to be published when completed.

97% of pupils walk to school.

Pupils are asked to contribute ideas when purchasing playtime equipment and to monitor usage.
