Behaviour Policy

As a Rights Respecting School we recognise Article 28 '**The right of every pupil to a good quality education**' and Article 19 '**All pupils have the right to be protected from danger**' from the UN Convention of the rights of the pupil.

It is a primary aim of our school that every member of the school community feels valued and respected, and that each person is treated fairly, justly and well. We are a caring community, whose values are built on mutual trust and respect for all members of the school can live and work together in a supportive way, to 'learn to do well'. We endeavour to promote an environment where everyone feels happy, safe and secure so that people can work together with the common purpose of helping everyone to learn.

Aims and expectations

- Encourage pupils to have high expectations of their own behaviour
- To emphasise that everyone has rights and responsibilities and to encourage pupils to take responsibility of their actions
- Encourage increasing independence and self-discipline so that each pupil learns to accept responsibility for his/her own behaviour
- Foster positive caring attitudes towards everyone where achievements at all levels are acknowledged and valued
- Have a consistent approach to behaviour throughout the school
- Make boundaries of acceptable behaviour clear and ensure safety
- Raise awareness about appropriate behaviour and promote it through positive reinforcement.

It is important that all adults working in school accept responsibility for behaviour throughout the school and act appropriately when misbehaviour is noticed. This policy aims to help pupils to grow in a safe and secure environment, and to become positive, responsible and increasingly independent members of the school community.

This behaviour is encouraged in every area of school activity and pupils are helped to recognise examples of good behaviour at all times. Each class also has its own rules guide formed by pupils.

Pupil responsibilities

- To work to the best of their abilities, and allow others to do the same
- To treat everyone with respect
- To follow the instructions of all the environment in and out of school
- To co-operate with other pupils and adults.

Staff responsibilities

The Headteacher holds overall responsibility for good discipline in the school, assisted by the Deputy Headteacher and the management team in each department.

Each class teacher will manage and oversee the day-to-day behaviour of the pupils in their own class.

The Headteacher delegates powers to all staff, teachers teaching assistant, lunchtime organisers and clerical staff to deal with any issues that may arise.

At the end of lunchtime, the lunchtime organiser reports any significant incidents to the class teacher.

Positive and behaviour incident logs are kept in all classrooms to record significant incidents including those relating to behaviour, bullying and racism. Significant incidents are also recorded in CPOMS.

The children are encouraged to show equal respect for all staff and pupils in the school.

- To make clear our expectations of good behaviour
- To treat all pupils fairly and with respect
- To raise pupil's self-esteem and develop their full potential
- To provide a challenging, interesting and relevant curriculum
- To create a safe, pleasant, stimulating environment , physically and emotionally
- To use rewards, rules and sanctions clearly and consistently
- To be a good role model
- To develop a class charter with pupils so that pupils are very clear about how they are expected to behave
- To form a good relationship with parents so that all pupils can see that the key adults in their lives share a common aim
- To deal with any incidents promptly and inform parents when necessary
- To recognise that each pupil is an individual and to be aware of his/her needs
- To offer a framework for social education.

Parents responsibilities

At St Agnes, staff work in close co-operation with parents to achieve high standards of self-discipline in the children. Sometimes children will be displaying similar challenging behaviour at home as at school. We believe much can be achieved when there is a high level of trust and partnership between the parents or carers of the pupils and the staff of the school.

- To make pupils aware of appropriate behaviour in all situations
- To encourage independence and self-discipline
- To show an interest in all that their pupil does in school
- To foster good relationships with the school.
- To be aware of the school rules and expectations and to support the school in the implementation of this policy
- To alert the school as soon as there are any concerns.
- To let school intervene and deal with situations where other pupils are involved with their child.
