					Overall floor standard:	Above	
					Coasting school indicator	No	

Primary schools will be above the floor standard if they meet either the progress or attainment measure.

Attainment: at least 65% meet the expected standard in English reading and English writing and maths – we are below.

Progress: sufficient progress to be made from KS1 to KS2 with at least -5 in English reading, -5 in mathematics and -7 in writing – we are above.

Due to our pupils' progress measure, overall, we are above floor standards and not coasting.

There are many factors to take into consideration when measuring the effectiveness of our school – the context, pupil characteristics, low, middle or high attainers etc.
