

# **Year Five Egyptian Project for Autumn 1 2017**

**As part of our exciting Ancient Egyptian topic, you will be researching and publishing your very own fact file project.**

**What we want is a well-presented detailed fact-file based on your chosen area connected to the Ancient Egyptians. This will be then presented and shown to the class and teachers in the last week of half term (week beginning 16<sup>th</sup> October 2017).**

**The skills that you must show are:**

- In depth research**
- Good organisation of time and project**
- Excellent presentation both in writing and speaking.**

**We are very much looking forward to reading your work. Remember this is your main homework for this half term so organise your time when you are at home. Enjoy!**

**Mrs Mirza and Mrs Clegg**

**Year Five Teachers**
