

20th October 2017

Autumn Half Term Holiday Challenge

Our Curriculum learning next half term will be ‘Stargazers’. We would like you to learn some amazing facts about the planets, the Galaxy and the famous Space scientists and journeys.

As part of our English we will be writing news reports and looking at Poetry. We would like you to read newspaper articles over the week and focus on the features of a news report. Listen to the news and the way journalists present the news. In addition, choose a favourite poem that you would like to learn off by heart ready to perform.

Mrs Mirza, Mrs Clegg and Mrs Crowhurst.

The Year Five Team

Remember to show this to your family so that they know what you need to do. Also, visit our website!
