

Week 1st of June – 5th of June

YEAR 6

This week we are going to visit a school in Spain. This time we are going to learn a game called: Abuelito ¿Qué hora es? (Grandpa. What time is it?). You will learn some vocabulary about how to tell the time. I think you will find this very interesting and is something that you can practice straight away. Use your previous knowledge about numbers to complete the clocks below, revise how to say the numbers from 1 to 12 in Spanish. Once you have done that, click on the link and watch the video.

<https://www.bbc.co.uk/bitesize/clips/z6gnvcw>

Complete the time that is missing using your previous knowledge. **Circle** the time that is being said by the children. **Challenge:** They are saying some animal names. Are you capable of identifying any of them? Next week, I will give you the answers. After this working sheet go on to: **Year 6 Actividad 7.pdf** and complete the work given.
