This Term

This term our topic is “Rhyme Time” where we be focusing on different nursery rhymes.

While the children are settling into Nursery, we will have a high focus on developing the 3 prime areas of learning.

These are: communication and language
personal, social and emotional development
physical development.

We will support the children during carpet time sessions and during their daily routine in developing the skills they need in order to prepare them for learning.

During this term, we will be observing the children’s interests and using this to enhance the environment to engage them in their learning.

The children will be learning how to follow our golden rules this half term.

These are: do be kind and helpful
do be gentle
do listen
do work hard.

In order to help the children remember to follow our golden rules, we have behaviour apples. All children start the day on the green apple – which means they are doing well. If a child does something special and tries hard to follow the rules, their peg will be moved to gold and they will receive a reward. The yellow and red apples are there to remind children to think about the choices they make in Nursery.

Don't Forget...

To **label all of your child's belongings**, including school uniform, spare clothes, lunch bags, school bags. This helps us to ensure all children take home the correct items at the end of each day.

Please ensure that if your child is on a packed lunch that there is **no nuts including chocolate spread**. This is due to severe allergies.

If you pack grapes into your child's lunchbox, they need to be cut from top to bottom to prevent any

choking hazards.

Special Events/Activities/News

The Nursery children have settled in really well. We have been finding out about our different interests and exploring the different areas of learning in the classroom.

The children have met their new teachers and classmates and are quickly forming some positive friendships with the other children.

Meet the staff

If your child is in ladybird group their key workers will be Mrs Smith/Mrs McCutcheon and Miss Collinge

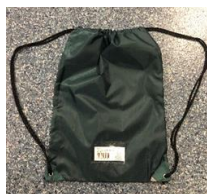

If your child is in butterfly group their key workers will be Miss Hewat and Miss BhaiMohmed

Our door is always open so please feel free to come and talk to us about any questions or queries- we are happy to help!
