

What do we already know?

- We have looked at maps of the world.
- We know that there are trees in forests.
- We know that Red Riding Hood is a traditional story.
- We know that plants need water to live.

Into the Forest

In Geography, we will describe the human and physical geography of St Agnes school and Birchfield's park and use digital maps to study the features of different areas.

We will also create maps of Little Red Riding Hood's journey using symbols and a key.

In Art we will use a range of found natural materials to create art work.

In Science, we will observe and describe how plants grow and what their needs are. We will also describe food chains and show our

In English, we will plan, write and edit our own versions of traditional tales. We will describe characters and settings.

In Computing, we will learn how to keep ourselves safe online.

In Design Technology, we will use sliders and levers to design, make and evaluate moving pictures.

In Music we will compose our own pieces of music to represent Little Red Riding Hood's journey.

What do we want to learn?

- What do plants need to survive?
- How is our school different to a forest?
- How can I make a picture that moves?
- What kinds of plants grow in a forest?

Year Two
Autumn 1
What lives in a forest?
