Mrs McCormick TA

MAKE IT HAPPEN
CHOOSE FAIRTRADE

Important Dates

8th November - Flu Vaccinations

Wb 7th November - Scholastic Book Fair

Wb 14th November - Parent Consultations Week

11th November - Cinema Visit

16th November - Photo Day

9th December - School finishes for half term

Don't Forget...

Please bring a raincoat and full water bottle every day that is clearly labelled or easily identifiable by your child.

Please learn the information on your knowledge organiser. There will be quiz on the information at the end of the half term.

Homework will be given out on Fridays and to be handed in the following Friday unless otherwise stated.

Children are expected to read their reading books each night and have their reading records signed and returned to school regularly.

Learning and practising times tables would be beneficial to maths learning. Each child has access to several websites to help with their learning that they can access at home; These include Times Tables Rockstars, Purple Mash and Century. Children should be making the most of these and accessing them on a regular basis.

Reminders

Year 6's PE Day is: **Tuesday**

All children need to wear their PE kit (t-shirt, shorts or joggers and trainers) on the day they have PE. For safety purposes, jewellery should not be worn during PE.

This, as well as all items of uniform and coats, should be marked with your child's name.

This half term we will be remaining in school for our PE lessons.

Remember to check Class Dojo for any updates on our Class Story!

MAKE IT HAPPEN
CHOOSE FAIRTRADE

Year Six - Autumn 2 2022

In English, we will be focusing on using our Stage 6 Features to write journals entries and persuasive letters.

In Art, we will be focusing on using fair trade products to produce paintings as part of a fair trade campaign.

In Science, we will be learning all about the main systems within the body such as the digestive and circulatory systems focusing on health and nutrition.

In MFL, we will be continuing our learning of Spanish with Mr Real.

In Geography, we will be investigating the issue of trade at a range of scales: – from the personal to the global context using Marco Polo's travels along the Silk Road.

In PSHE, we will continue to develop our understanding about thoughts and emotions, both positive and negative.

In Maths, we will be continuing with four operations on whole numbers before moving onto fractions.

In RE, we will be continuing to explore whether it is better to show your faith through art or charity.

In Music, we will be continuing to learn the recorder.

In PE, we will be taking part in Dance looking at how dance has evolved from the slave period.
